

Washington National Guard

Domestic Operations

"Always Ready, Always There" – Guardians!

Washington National Guard Domestic Mission Support

DOMOPs & Defense Support to Civil Authorities (DSCA)

A cornerstone of the National Guard value is its ability to respond quickly during domestic emergencies, providing key “Defense Support to Civil Authorities”. For this domestic mission, the National Guard is a source of ready, trained, mission-oriented manpower without peer.

Eleven core competencies, known as the “Essential 11”, are employed in support of civil authorities:

- | | |
|--------------------------|--------------------------------|
| 1. Command and Control | 6. Full-Scale CBRNE Operations |
| 2. Engineering | 7. Communications |
| 3. Ground transportation | 8. Aviation |
| 4. Medical Support | 9. Security |
| 5. Logistics | 10. Maintenance |
| | 11. Cyber |

“It is imperative that the Washington Military Department be trained and ready to serve and support the citizens who depend on us.” MG Daugherty TAG-WA

(CST)**

10TH CIVIL SUPPORT TEAM (CST)

(Weapons of Mass Destruction)

TASK ORGANIZATION:

- Command section
- Operations section
- Communications section
- Administration/Logistics
- Medical section
- Survey section

TOTAL = 22 personnel

MISSION: Assess a suspected WMD event in support of the local incident commander; Advise civilian responders regarding appropriate actions; Work to both facilitate and expedite the arrival of additional military forces if needed.

ACTIVATION:

- Immediate response to assist an Incident Commander in the event of a WMD emergency
- Federally funded, but under state control at the direction of the Governor
- Provides a vital link between crisis and consequence management

HOMELAND RESPONSE FORCE (HRF)

Mission: On order, the Region X CBRN Enterprise will conduct CBRN consequence management in vicinity of a CBRN incident site to save lives and mitigate human suffering in accordance with NORTHCOM CONPLAN 3500-11

COUNTER DRUG TASK FORCE (CDTF)

- **Mission:** 32 USC 112 authorizes the use of NG personnel to support domestic Law Enforcement in counterdrug supply reduction activities as well as community based organizations in demand reduction.
- **Organization**
 - Headquarters (11)
 - Aviation (9) Air and Army, buy-follows, body wire relay, warrant execution, grow ops detection, FLIR, photo, downlink
 - Field Support (32) Criminal analysts, ground reconnaissance, prevention specialists
 - Joint Language Team (25) Supports national agencies to interdict drugs over the horizon.
 - Western Region CD Training Center (20) Delivers training to military, police, and prevention specialists in these mission areas within 12 western states.

Key Supported Agencies:
JTF-North, DEA, FBI USCG, USBP, & WSP

DUAL STATUS COMMAND (DSC)

- One Dual Status Commander in charge of all military (Title 32 and 10) forces operating within the confines of one US state.
- Allows maximum advantage from National Guard local response relationships with added manpower/equipment from any available Active Component forces.
- Keeps state sovereignty and constituent relations intact.
(The Governor is responsible for their state's citizens welfare.)

Washington Military Department

TAG's Bottom Line

“The Washington Military Department functions as one, unified team by drawing on all of the resources and strengths of our entire agency to plan and prepare for an efficient, effective, and rapid respond to emergencies and assist in recovery in order to protect the lives and property of the citizens of Washington, the Northwest, and the United States.” MG Daugherty
